ISBN 978-3-8474-0048-6

„Motherhood in Patriarchy“ pioneers the argument that the current Western understanding of motherhood is a patriarchal one based on a long historical tradition of subjection and institutionalization. The book makes an important contribution to women’s studies on reproduction, feminist theory, motherhood and welfare politics, and offers alternative perspectives.

Author:

Dr. Mariam Irene Tazi-Preve,
researcher and lecturer at universities
in Austria and the USA
