Social Glocalisation and Education

Social Work, Health Sciences, and
Practical Theology Perspectives on Change

Schriften der KathO NRW, Band 34

2021. 369 pp. Pb.

36,00 € (D), 37,10 € (A)

ISBN 978-3-8474-2371-3

This book discusses the local effects of globalisation, especially in the context of social work, health and practical theology, as well as the challenges of higher education in a troubled world. The more globalised the world becomes, the more important local identities are. The global becomes effective in the local sphere. This phenomenon, called 'glocalisation' since the 1990s, poses many challenges to people and to the social structures in which they operate.
